To Whom It May Concern:

We understand that all parents want to do best by their child. But please realize that if you attend the evaluations for a competitive baseball team, you are making the commitment to the program and your team placement, regardless of which team your child is placed (or your child's friends are placed).

After the final evaluation we presume all players that tried out want to play at the competitive level, so we make placement decisions based on evaluation results. In some cases players are not selected for competitive baseball.

This year evaluation results will be sent to the designated email listed on the sign up forms.

If you choose to leave the Wilbraham competitive program after the evaluation process has concluded and your child has made a competitive team, it leaves us and the entire team in a very difficult predicament. In this situation, there are no refunds issued after the first evaluation.

Thanks,

Daniel Beauregard

2024 Competitive Baseball Fact Sheet

Below are some facts about the baseball evaluations for the 2024 Competitive Baseball season.

EVALUATION INFORMATION:

- Evaluations for our competitive 12U and 14U competitive baseball teams are held in the fall. This allows us to do the evaluations outdoors. Evaluations for our Competitive 8U and 10U teams will be held indoors in the winter or in the spring.
- Participants are required to attend AT LEAST ONE of the evaluations.
- We hope to notify all players via email if they made a team or not **no later than 4 weeks after the last evaluation.**
- Head coaches will be selected shortly after evaluations, and they will follow up with a phone call after the letters have been emailed out.
- After the first evaluation, there will be no refunds for any reason. Commitment information is attached to the registration forms. You are agreeing to the commitment when you register your child.

LEAGUE INFORMATION:

- The leagues are set up in 2 age groups. 10 to 12 year olds (12U) and 12 to 14 year olds (14U). The age cutoff is your child's age as of May 1, 2024. Examples:
- Your child must be 10 years old *as of 5/1/24 to play in the 10-12 division.
- Your child cannot turn 13 before 5/1/24 and still qualify for the 10-12 division, they would be too old.
- Your child must be 12 years old *as of 5/1/24 to play in the 12-14 division.
- Your child cannot turn 15 before 5/1/24 and still qualify for the 12-14 division, they would be too old.
- Coaches will be selected by the WBC and the Recreation Department based on where their child falls in the evaluation process.
- Number of teams per age group depends on talent and numbers. We aim to make at least an "A" team and a "B" team as we have talent for but certainly do not want to place players where they will not progress.
- We aim for 12 players per team, with a minimum of 11 but no more than 14 players on competitive teams.
- Practices for most competitive teams will begin in late March. If some coaches have access to indoor facilities they may get the players together informally throughout the fall and winter months.
- Competitive teams will play in the John L Sullivan League (JLS). Most teams will play an 14-16 game season that begins end of April and runs through the first week of July. Travel will include going to Springfield, Longmeadow, East Longmeadow, Palmer, Monson, Granby, South Hadley, and Hampden and everywhere in between.
- Practice days will be chosen by the coach, but plan on 3 times a week before the season starts then 1-2 times a week after the season starts. There will not be set practices, weekly schedules will vary.
- Games again will vary but 2 – 3 games a week is practical. Games can be played any day Sunday – Saturday.
- We expect our coaches to make a commitment to the program. Therefore we require the same from the players and parents. Because of the competitive nature of the leagues in which we participate, as well as this being baseball's primary and "only" season played competitively in this area, your child's attendance at both practices and games must be exemplary. All other sports and recreational activities should not impact your child's ability to attend their practices and games. If practices or games are regularly missed, your child's skill development and ability to contribute will suffer, and their playing time will be at the coach's discretion. If another activity takes precedence, the Recreational League may be a more appropriate option. Obviously things like doctor's appointments, illness, etc. are not included in the above statement. Please use your judgment.
- Always notify your coaches' ahead-of-time if you know a player is going to miss a practice or game. You would expect the coach to notify you if he or she was going to cancel a practice, so please use the same common courtesy.
- 14U participants cannot try-out or play on a Junior Legion team if they are on a JLS team.

2024 COMPETITIVE BASEBALL

EVALUATION SCHEDULE

IMPORTANT INFORMATION:

- Players will have to attend at least one tryout session but there is still the option of attending both sessions.
- If you attend both try-out dates, we will use the higher/better score for each skill, so attending a second day cannot negatively impact your scores.
- Parents are NOT allowed to be on the field during the evaluations and should not interact with the evaluators as they will be busy making evaluations.
- Players should show up early (20-30 minutes) for check-in and warm up, as we will start promptly at the start times listed.
- **No new registrations will be accepted at the door. All registrations must be completed online, in Rec Office or via mail by September 4. If the players name is not on the tryout list, they will not be evaluated.**
- **If a player is selected for a competitive team and decides not to play for any reason a refund will not be issued.**
- **All players not making the competitive teams will receive a refund. In order to play recreational baseball in the spring you must register in February 2024. You will NOT be automatically enrolled into recreational baseball.**
