

Vanta Player Development League - Winter Season

Website Content

Vanta Esports Development League

Fall League Season:

- Mon, Jan 17th to Sat, Apr 3rd
 - Jan 17th to Mar 19th is the normal 2-month league – in the 3rd month we hold a bunch of community events for players and parents
- Program Cost: \$180 for 3-Month season

Description:

Does your child play video games? We offer a Youth Esports (competitive video gaming) Development League with expert coaching for all skill levels between the ages of 9-14. **We started Vanta in response to one of our founder's sons being cyberbullied.** Our team-based learning platform provides a safe & structured environment for youth to learn skills that lead to college scholarships and build meaningful friendships

Games Offered:

- League of Legends
- Rocket League
- Valorant

League includes expert coach, holistic curriculum, moderator, and games streamed on Vanta twitch channel (<https://www.twitch.tv/vantaleagues>)

Technology requirements: PC Desktop/Laptop, a mouse, a headset, a power source

Vanta Background:

Benefits

- Safe & Inclusive community
- Structured and holistic curriculum: health & wellness, social emotional learning, leadership, communication, goal-setting, etc.
- Mentorship & Digital Citizenship
- Optimized Screen time
- Fun Virtual Community Events

Overview

- We are a fully outsourced esports youth development program for organizations
- We are a virtual company and do not need a physical computer lab for players to participate
- Vanta provides the games, expert coaching, moderators, holistic curriculum, game operations and scheduling to players
- We can help create teams from players from your community or match them with players from other communities
- Teams practice and game together during the week and compete against other teams across the US
- In order to be COPPA compliant, we use Google Meet and Classroom for the players, coach and moderator
- Children's Online Privacy Protection Rule (COPPA)
