Jungle Journey ART-ventures in the Rainforest

Art explorers take their inner artists for a walk in the rainforest and discover a variety of endangered creatures who live there. Lizards and poison dart frogs, bugs and butterflies, tigers and monkeys and more. Learn about the layers of the rainforest while experimenting with a variety of art forms. Experience fabric design while tie dyeing bandannas and making rainbow T-shirts. Sculpt animals out of clay, make 3-D paper reptiles, and create rainforest flowers. Decorate beach balls, draw tigers with oil pastels, and paint ceramic flower pots that look like boots. Discover stained glass and scratch art too.
